

COMPANY TRIP 2025

Vinadenka JV x Thai NDK

PATTAYA THAILAND

Last November, Vinadenka JV and Thai NDK jointly organized a company trip to meet and connect in Thailand.

This was a special opportunity for Vinadenka members to visit the beautiful country of Thailand and reunite with our welcoming colleagues. Bridging the geographical distance, we shared unforgettable moments that brought our two teams closer than ever.

Setting work aside, Vinadenka members enjoyed moments of relaxation, sharing joy and strengthening our internal team spirit.

The journey was enriched by a colorful series of experiences, such as yacht fishing, savoring the distinctively spicy local cuisine, and especially being captivated by the spectacular beauty of Tiffany's Show. The smiles and bonds formed during this trip will serve as motivation for us to conquer new goals.

Although the trip has concluded, the smiles and fond memories will remain forever. The strong bond between Vinadenka JV and Thai NDK acts as the driving force for us to achieve new milestones in the future together.
